

# MARK DENTON

## INTRODUCTION

International award-winning leadership expert and celebrated speaker, Mark Denton, has vast knowledge of navigating turbulent waters in life, business, and sport. On top of his 20+ years of consulting with some of the world's greatest organizations, helping to reshape their cultures to be more resilient in times of change, he has also competed in countless sailboat races.

To date he's clocked up more than 80,000 miles across the world's most hostile oceans, the pinnacle of which was leading a diverse amateur team in the 'world's toughest' round-the-world yacht race. And in his gripping keynote, he'll share what really made the difference and allowed his team to thrive when facing constant adversity and change.

Let us welcome .... Mark Denton!
