

BEN HINES

AV / TECH RIDER

For main plenary room (for the Keynote):

- 1 x Lavalier mic
- 1 x handheld mic
- Projector screen with VGA input

For the activity:

- Main plenary room:
- PA system with following inputs:
- 1 x iPod input
- 1 x stereo DI box with 2 x 1/4 jacks
- 1 x DI box with 1 x 1/4 jack
- 1 x Lavalier mic
- 2 x mics (on stand)
- 1 x handheld mic

Projection:

- 1 x main projector (VGA input) along with a secondary screen (plasma or projector) in opposite direction to allow choir to read lyrics - this need to be driven from the same VGA input as the main projector.
- Presentation area - flexible, but stage area for up to 25 people standing as a choir would be good

In each of the 3 breakout rooms (though we can use main plenary room as one of the breakouts if necessary):

- 1 x powered speaker (similar to Mackie SRM150 or similar) to allow iPod input
- 1 screen & projector or plasma screen or similar to allow a VGA input presentation
- 3 pre-printed A1 sheets with song lyrics - we'll provide file for Alcon to print locally.
- 25 pens
- 5 medium sized Post-It pads per room
- 3 flip chart pens
- Some loose paper
