

KEMBA SMITH PRADIA

AV REQUIREMENTS

MICROPHONE

Kemba prefers a hand-held microphone.

PRESENTATION

Kemba will provide a USB drive of a 7-minute video she shows during her presentation. Speakers/audio should be very high-quality and sufficient for the entire audience to hear sound/video clips. Please make sure the sound system is functioning and tested before his arrival.

The client should provide laptop and projector, and a screen compatible with projector/room size.

ADDITIONAL INFORMATION

Kemba may provide PowerPoint slides in advance and will request that the AV team be available for sound and AV check before the event.

A bottle of water on stage is appreciated.
