

**SCOTT BURROWS** was a star athlete and fierce competitor. By the age of 19, he played college football at Florida State University as a wide receiver under Coach Bobby Bowden and was a top ranked kick-boxing Black Belt champion whose last fight was broadcast by ESPN.

During the height of Scott's collegiate career, his life changed dramatically and abruptly on November 3rd, 1984. He survived a horrific car crash, suffering a serious spinal cord injury that left him paralyzed from the chest down and diagnosed a quadriplegic.

Despite his grim diagnosis, Scott refused to be sidelined. After six months of intense physical therapy, Scott astonished everyone, including his doctors, by turning an impossible goal of standing again into a reality.

Scott enrolled back into college and earned a Bachelor of Science Degree in Finance from the University of South Florida. After graduation, he entered the insurance and financial industry as a financial advisor. In his 5th year, he qualified for the Million Dollar Round Table, a 100% commission-driven award that less than 8% of his peers from all companies around the world qualify for yearly.

At the pinnacle of that career, Scott decided to make a change and partner with his brother Mark as a venture capitalist. Together, they formed an international golf course development company, doing business in Southeast Asia. That company still thrives today.

Today, as a motivational keynote speaker and bestselling author, Scott has presented to organizations, associations and Fortune 500 companies and has been invited to kick off corporate conferences in Australia, India, Spain, Bermuda, Mexico, the Czech Republic and Canada.

"You hit a "hole-in-one" with our sales conference in Las Vegas. Your Vision, Mindset and Grit message is a powerful and emotional message. Your accomplishments demonstrate how life's obstacles can be converted into success and not considered setbacks. Your story has shown my team how to work through our challenges and drive for positive results and to push for an additional 1/8th of an inch."

"I wanted to send you a quick note and thank you for your Safety Leadership presentation at our annual meeting. Many of the attendees told me that was one of the best safety programs they had attended. I think your message and story are very impactful. Your mantra of Vision-Mindset-Grit resonated with our managers. We have found that when managers show employees that they care about each employee's personal health and safety, then the entire organization becomes a safer one. Your presentation drove home several of our primary safety tenants, but obviously only someone with your life experiences can achieve such

an emotional and uplifting response in doing so. Thanks for sharing your story and message.”
