Testimonials

I attended my 8th or 9th Shaklee conference over 15 years as a distributor of this great company, and I believe you just made it greater. At our conference this last weekend in Atlanta, I had never before experienced your equal in creating a powerful, emotional scenario that affected over four thousand people at the same time. It wasn't just fluff, either - you conjured a spirit out of people that they likely have never seen their entire lives. It was a life-transforming event I will remember for the rest of my life.

- Distributor.

Not only did you deliver a powerful message but you gave the Shaklee Field one collective Breakthrough! I have heard nothing but great feedback about your style and how you connected to them through your heart and your passion for helping people choose a different to make change. We need this to continue and I'll do everything I can to advocate for your suggested next steps. You're the best!
