## Testimonials

"Your 'Communication Moves' event was the talk and 'WOW' of my Zone Sales Meeting. I had at least two dozen people approach me after your program to share some very positive feedback. My entire sales team got some great working tools from your program that they can take into their daily lives and make a positive and measurable difference. You inspired my team tremendously (and me as well), and we have not been able to stop talking about your program. From the bottom of my heart, I want to thank you for a great day, a great experience, and most of all, a great performance that we will never forget."

- Zone Sales Director, Starbucks.

"We put Victoria on the stage in front of 900 sales and marketing people at 8:00 am after our big Las Vegas conference party the night before. She energized the group and grabbed their attention. Her extensive preparation allowed her to speak 'our language'. She was relevant, she was entertaining, she made our meeting exciting; what more could we ask?!"

- ASMO Geo Training Manager, Intel.
