

Larry Myler is an author, business strategist, and consultant for clients ranging from start-ups to Fortune 500 companies. For much of his career he has energized companies with new, concrete methods for reducing expenses and increasing revenues. Larry has been involved in six start-ups, and is acutely aware of the nuances of business that lead to success.

Larry's new book, *Indispensable By Monday*, extends his expertise and vision to employees at all levels, teaching them how to add financial value to their employers—thus protecting their jobs in hard times, ensuring promotions in good times, and helping them rise above the competition in any job-seeking crowd.

Larry has a BS in psychology from Brigham Young University, and an MBA with an emphasis in international business from the University of Utah.
