

**Ivanka Trump** is one of the most recognized and influential young business women today.

As Executive Vice President of Development & Acquisitions, Ivanka Trump is charged with the expansion of The Trump Organization globally along with her siblings, Donald Jr. and Eric. Currently, Ms. Trump works on over 70 new and current projects throughout the world.

Ms. Trump actively participates in all aspects of real estate development on Trump projects, from deal evaluation to pre-development planning and construction, to sales and marketing. She is involved in all decisions-large and small-from the initial deal making phase to the details such as interiors selections for residences and guest suites.

In her current role, one of Ms. Trump's main focuses has been to bring the Trump Hotel Collection brand to the global market. Currently 13 hotels are part of the Collection, with several more locations in the pipeline. The Hotel Collection has already seen great success with its flagship, Trump International Hotel & Tower New York. Its recently opened sister hotels in Chicago and Las Vegas have received rave reviews, including Chicago being rated "#1 Hottest Hotel in North America" by Condé Nast Traveler and Las Vegas receiving accolades from numerous publications, including The Los Angeles Times.

With many properties in different stages of development, Ms. Trump's portfolio is quite extensive. Other projects she is overseeing include the completion of Trump International Hotel & Tower, Waikiki. Ms. Trump is also extensively involved in the development of Trump Towers, Istanbul, Sisli, in Turkey. She is also actively involved in the development and sales of Trump International Hotel & Tower, Palm Jumeirah, which is locat...
