

Daniel Yergin Speaker Profile:

Daniel Yergin is a highly respected authority on energy, international politics, and economics. He is Vice Chairman of IHS and Founder of IHS Cambridge Energy Research Associates.

Time Magazine said, "If there is one man whose opinion matters more than any other on global energy markets, it's Daniel Yergin." Fortune said that he is "one of the planet's foremost thinkers about energy and its implications." The New York Times described Daniel Yergin as "America's most influential energy pundit".

In 2014, the Prime Minister of India presented Dr. Yergin with "Lifetime Achievement Award" and the U.S. Department of Energy awarded him the first "James Schlesinger Medal for Energy Security."

A Pulitzer Prize winner, Dr. Yergin is the author of the new bestseller *The Quest: Energy, Security, and the Remaking of the Modern World*. The Economist described *The Quest* as "a masterly piece of work" by The Economist and The Financial Times called it "a triumph." The New York Times said it is "necessary reading for C.E.O.'s, conservationists, lawmakers, generals, spies, tech geeks, thriller writers," among many others.

Bill Gates summed up his review saying, "This is a fantastic book."

Dr. Yergin is known around the world for his book *The Prize: the Epic Quest for Oil Money and Power*, which was awarded the Pulitzer Prize. It became a number one New York Times best seller and has been translated into 20 languages.

Dr. Yergin is also a business leader, as Vice Chairman of IHS, one of the world's largest research and information companies, with 9000 employees, and founder of Cambridge Energy Research Associates, which became part of IHS in 2004.
