

**Lawrence Kudlow** is host of CNBC's primetime The Kudlow Report and co-host of CNBC's The Call. He is also the host of The Larry Kudlow Show on WABC Radio. Mr. Kudlow is a nationally syndicated columnist. He is a contributing editor to National Review magazine, as well as a columnist and economics editor for National Review Online. He is the author of American Abundance: The New Economic and Moral Prosperity which was published by Forbes in January 1998. Mr. Lawrence Kudlow is CEO of Kudlow & Co., LLC, an economic and investment research firm as well as a Distinguished Scholar of the Mercatus Center at George Mason University in Arlington, Virginia.

For many years, Mr. Kudlow served as chief economist for a number of Wall Street firms. He was a member of the Bush-Cheney Transition Advisory Committee. During President Reagan's first term, Mr. Kudlow was the Associate Director for Economics and Planning, Office of Management and Budget, Executive Office of the President, where he was engaged in the development of the administration's economic and budget policy.

He is a trusted advisor to many of our nation's top decision-makers in Washington and has testified as an expert witness on economic matters before several congressional committees. He has also presented testimony at several Republican Governors Conferences.

At the Podium: Over the years, Larry has presented his economic counsel to governors, presidents, top investment firms and Washington think tanks. He skillfully dissects the current political and economic climate and interprets their long and short-term implications.

Kudlow offers insights into the remarkable triumph of American capitalism and how its continued success has unleashed an unprecedented...
