

Brett King is a global bestselling author, futurist, the host of the "Breaking Banks" Radio Show on Voice America (an Internet Talk Radio Network with over 9 million monthly listeners) and the founder of the start-up "Moven". King was voted as American Banker's Innovator of the Year in 2012, and was nominated by Bank Innovation as one of the Top 10 "coolest brands in banking". BANK 3.0 (in 8 languages) has been topping the charts in the US, UK, China, Canada, Germany, Japan and France since its release late in 2012. His latest book, Breaking Banks, is due out early 2014 with Wiley.

King has been featured on Fox News, CNBC, Bloomberg, BBC, Financial Times, Economist, ABA Journal, Bank Technology News, Asian Banker Journal, The Banker, and Wired magazine. He contributes regularly as a blogger to *Huffington Post*.

As an industry thought leader, King has delivered keynotes at conferences in more than 40 countries for organizations like Google, Forbes, Oracle, The Economist, SAS, SWIFT, Bloomberg, American Banker, ABA, Informa, World Council of Credit Unions, and others. He has served as an international judge for The Asian Banker Retail Banking Excellence Awards, the GSMA Global Mobile Awards, the Middle East Business Achievement and Retail Banking Awards.

Testimonials

"We truly appreciate your insights about the bank and customers of today and the future...their changing behaviour and lifestyles, their attitudes towards new technologies, and their role in changing the future of financial services. It was indeed an honour and a rare privilege to have you as our guest speaker."

- BANCNET.

"Brett, you were an absolute pleasure to work with! I cannot fault your professionalism. I have received constant compliments about your presentation, and would be delighted to work with you again. It is rare to find a speaker that can both command a stage and work one on one so successfully!"

- Cards & Payments 2013.
