

Barbara Corcoran's credentials include straight D's in high school and college and twenty jobs by the time she turned twenty-three. It was her next job that would make her one of the most successful entrepreneurs in the country when she took a \$1000 loan to start The Corcoran Group.

As one of the "Sharks" on ABC's hit TV show, SHARK TANK, Barbara has ponied up her own money and invested in twenty-two businesses, competing to make those deals for all to see, then shepherding them to success.

Her newest book, *SHARK TALES*, takes you behind the scenes of her life and business and her 'seen on TV' venture capitalism. Barbara is famously brash and blunt, bold and courageous, and a brilliant identifier of opportunity and talent (often invisible to others).
