

Brian Souza is CEO and founder of ProductivityDrivers - an innovative corporate training company that specializes in building world-class, high-performance teams and organizations. Souza is also the author of The *New York Times* Bestseller, *The Weekly Coaching Conversation*.

As a respected thought leader in how to build high-performance teams, coaching, leadership, and sales, Souza is highly sought after as a keynote speaker and management consultant by top companies and organizations worldwide. Clients include SAS, Google, Boeing, In-N-Out Burger, ServiceNow, StateFarm, American Eagle Outfitters, AstraZeneca, and AbbVie just to name a few.

Souza and his work have been featured in dozens of magazines and newspapers around the world including *The European Business Review*, *Fast Company*, and *Success Magazine*. His first critically acclaimed book, *Become Who You Were Born to Be* (Random House, 2007), has been published in multiple languages around the world.

Testimonials

"Brian was one of the most impactful speakers we've ever had! I continue to receive extremely positive comments about Brian's presentation and the strategies he discussed. Thank you Brian for inspiring our team to reach a higher level of leadership through coaching!"

- In-N-Out Burger.

"Brian Souza's talk was simply marvelous! My leadership team is still buzzing about it weeks later!"

- Coca-Cola.
