Testimonials

"She was brilliant. Everyone loved her; she was funny, inspirational and perfectly on message. She was also a real trooper; she arrived at the hotel and sat in a large room at a table with 250 books - signed everyone until probably around 10:30 or so, and after her keynote, stayed through the break to talk to a few people (because everyone wanted to talk to her)."

"Carey was absolutely wonderful! She signed all 200 books that we purchased in the green room before her talk. It was seriously impressive. Her presentation got rave reviews - it was the highest rated session of our entire leadership conference. The beginning of her presentation starts with a video, and the lights in the room went totally dark. I got goosebumps! Many people mentioned Carey as the highlight of the day in their anecdotal feedback. She was awesome. I really appreciate all of the work that you did to help us get the books on time. Every participant went home with a signed copy, and it really made for a special giveaway."
