Testimonials

☐ Brian Bryan and the Combat Team have been coming to all five of the Bixby Kids/Teens for Christ clubs since our first club's inception in 2005. Brian easily relates to all the ages of kids at our clubs, from a 5 year old up to the teenagers. He and his team deliver an exciting and uplifting karate demonstration that keep the kids captivated while hearing Brian's very powerful testimony. Brian has been an extreme blessing to our ministry. We highly recommend him. He is truly doing God's work!

☐ We had heard about Brian and his team several times before we met him personally. We were skeptical. Could karate, which in Asia, is often mixed with a strange supernatural message, be used for ministry? After observing his team and ministry we can say without reservation that the answer is YES! We have worked with Brian and The Combat Team for the last five years. Brian's skill is impressive, but more importantly it is mixed with integrity, anointing and an uncompromising message of faith. We highly recommend them.
