

Bestselling author and *Inc. Magazine* Top 100 Leadership Speaker, Peter Bregman unlocks the secrets of highly successful leaders in his most recent book *Leading with Emotional Courage: How to Have Hard Conversations, Create Accountability, and Inspire Action on Your Most Important Work*, which describes an overlooked - and essential - skill of leading at the highest levels: emotional courage. It shows us that truly great leaders don't just know what to say or do - they are willing to experience the discomfort, risk, and uncertainty of actually saying or doing it. Bregman guides audiences to become great leaders, no matter their role or level in the hierarchy. Leaders who have the power to align teams, inspire action, and achieve stellar results.

A world's Top 30 Time Management Professional for 2018, Bregman is also the author of the *Wall Street Journal* bestseller *18 Minutes: Find Your Focus, Master Distraction, and Get the Right Things Done*; *Point B: A Short Guide to Leading a Big Change*, and *Four Seconds: All the Time You Need to Stop Counter-Productive Habits and Get the Results You Want*, a *New York Post* top pick for your career in 2015. Consistently the most-read blogger at *Harvard Business Review*, Peter's articles and commentary appear frequently in *Bloomberg BusinessWeek*, *Fast Company*, *Psychology Today*, *Forbes*, CNN, NPR, FOX Business News, *The Financial Times* and PBS.

People who hear Peter speak often make simple changes that have an immediate and enormous impact on themselves and on their organizations. From helping people show up with Emotional Courage to a new, innovative path to productivity in 18 minutes a day, to teaching peop...

Testimonials

For me as CEO, Peter's greatest impact came in conversations that I just couldn't have with individual team leaders. He helped me take honest stock of circumstances, and guided me to make good decisions through his insights and depth of experience.

- CEO of Software Company Purchased by Oracle.

With Peter's help, we improved how we hired and retained employees. We implemented efficient customer service processes so we were able to address new and complex customer problems effectively. We dealt with the escalating expectations of our customers, and lowered our risks and increased our capability for rapid and high quality execution. The ROI has been substantial.

- CEO of a fast-growing start-up with inexperienced management.
