

Christopher Thornberg Ph.D. founded Beacon Economics LLC in 2006. Under his leadership, the firm has become one of the most respected research organizations in California serving public and private sector clients across the United States. Dr. Thornberg also served as Director of the UC Riverside School of Business Center for Economic Forecasting and Development and was an Adjunct Professor at the School from 2015-2023.

An expert in economic and revenue forecasting, regional economics, economic policy, and labor and real estate markets, Dr. Thornberg has consulted for private industry, cities, counties, and public agencies in Los Angeles, San Francisco, and the Bay Area, San Diego, the Inland Empire, New York, Seattle, Orange County, Sacramento, Arizona, Nevada, and other geographies across the nation. He has also worked on Wall Street, advising hedge fund manager Paulson & Co. about macroeconomic issues.

Recent notable projects include housing and rent control studies for the California Apartment Association; research supporting the strategic allocation of American Rescue Plan Act funds for the County of San Joaquin; an analysis and forecast of the socioeconomic factors that affect traffic growth and demand along a major interstate in Southern California; research on affordable housing in Los Angeles for a major law firm; quarterly regional economic outlooks for the East Bay Economic Development Alliance; a recession recovery plan for the City and County of San Francisco; an annual economic assessment of LA's city council districts for the Los Angeles Area Chamber of Commerce; an economic and revenue forecast for the City of San Luis Obispo; an analysis of the local technology industry for the Santa Cruz County Workforce Development B...
