

Lori started with one idea and turned it into a multi-million dollar international brand. She is well known as a self-made inventor, entrepreneur who created and marketed over 1,000 products, holds 120 US and international patents and has a 90% success rate for new items launched. She is recognized as one of the most prolific inventors of retail products of our time.

She's a leading Shark on ABC's 4x Emmy Award-winning entrepreneurial business show, *Shark Tank*, where she invests in companies and helps turn people's dreams into a reality. Several of her investments are the highest success stories on *Shark Tank* to date, having the top 10 out of the top 20.

She's well known for her impeccable negotiating skills and uncanny ability to know, identify and launch emerging brands.

At the heart of Lori's own success is a combination of talent, hard work and perseverance. She is a strong role model for women of all ages and was honored with the Sherry Lansing 'Woman of the Year' Award and by the Paley Center as an Important Woman in Television.

Lori's international bestseller *Invent It, Sell It, Bank It!* is a step-by-step guide on how to turn an idea into a million-dollar reality.
