

S. Chris Edmonds is a sought-after speaker and highly regarded thought leader on corporate culture, leadership, and workplace inspiration.

He is one of Inc. Magazine's 100 great leadership speakers, one of the top 100 employee engagement experts online, and one of the top 100 leadership experts to follow.

Chris is the author or co-author of seven books and of one ChangeThis manifesto. He co-authored the best seller *Leading at a Higher Level* with Ken Blanchard. His latest book, *The Culture Engine*, helps leaders create workplace inspiration through an organizational constitution.

Chris' interactive presentations help audience members relate the concepts and stories he shares to real life and real work. It's not about theories - it's about active engagement with proven practices.

He has presented to clients in industries including automotive, banking and financial services, distribution, government, hospitality, information technology, insurance, logistics, manufacturing, non-profit, pharmaceutical, retail, sales, distribution, and high tech (software and hardware).

Chris speaks on leadership, culture, and workplace inspiration topics.
