

Roxanne Emmerich® is America's most sought-after workplace transformation expert. She is listed by Sales and Marketing Management magazine as one of the 12 most requested speakers in the country for her ability to transform negative workplace performance and environments into "bring it on" results-oriented cultures.

Roxanne's new book Thank God It's Monday!® reached and maintained its position as #1 on Amazon's business bestseller list and made the Wall Street Journal's best seller list—all in the first week of its release. As President and CEO of The Emmerich Group, Inc.® she has consulted and spoken to most of the financial institutions in the top one percent of performance, as well as clients like Merck, Pfizer, Allianz, Lockheed Martin and hundreds of other leaders in almost every industry. Roxanne was inducted into the National Speaker Hall of Fame for her impact and quantifiable effectiveness. She has also published hundreds of articles in leading publications on such topics as leadership for results, employee engagement for bottom AND top-line improvement, profit-rich growth strategies, and a multitude of other workplace breakthrough issues.

Roxanne Emmerich® received the Philanthropist of the Year Award. Roxanne Emmerich® received the 2010 NSA Philanthropist of the Year Award. A three-time Entrepreneur of the Year, Roxanne served Wisconsin Governor Tommy Thompson as a key advisor on reinventing state government and serves as Editor-In-Chief of Extraordinary Banker® magazine. She is in demand for interviews by CNN, NPR, CBS, and other media outlets nationwide for her proven ability to help workplaces get unstuck and achieve radically improved results quickly.

Testimonials

▢ "Thank you for the powerful presentation at our Bank CEO Conference. You have an extraordinary gift of making the complex simple. You helped our presidents increase their businesses while improving their return on investment. Many of our CEO's have asked to do business with you directly."

- BankServices Company.

▢ "Your last visit continues to pay off handsomely. The standards you helped us develop are still talked about at every staff meeting years later."

- Farmers & Merchants Bank.
