Testimonials

"Your talk was the hit of the Global Women's Conference for BP. Word got out, and this one sold out in two hours. Many participants commented that it was the best presentation BP had ever sponsored. Your presentation has opened my eyes-- and the eyes of so many."

- British Petroleum.

"Amazing presentation. One of the finest on any topic I've ever heard, and certainly the finest of anything gender-related I've ever heard. Your balance of anecdote and statistics was perfect; your statistics were so powerful, and your listening skills superlative--NO one handles Q&A better than you."
