

For over 30 years Leadership and Culture Coach **Christine Comaford** has been helping leaders navigate growth and change. She is best known for helping her clients create predictable revenue, deeply engaged and passionate teams, and highly profitable growth. She delivers these impactful outcomes as a result of her decades of building her own and her clients' business plus her expertise in human behavior and applied neuroscience.

Bill Gates calls her "super high bandwidth."

Bill Clinton has thanked her for "fostering American entrepreneurship."

Newsweek says "by reputation, Christine is the person you want to partner with."

Christine is sought after for providing proven strategies to shift executive behavior to create more positive outcomes, enroll and align teams in times of change, massively increase sales, product offerings, and company value. Her coaching, consulting and strategies have created hundreds of millions of dollars in new revenue and value for her clients. The potent neuroscience techniques she teaches are easy to learn and immediately applicable to help leaders see into their blind spots, expand their vision, and more effectively influence outcomes.

CEOs, Boards and Investors count on Christine to help them:

Increase accountability, communication, execution among team members resulting in profound revenue, profit, market position growth.

Navigate rapid growth where internal priorities are frequently shifting and the team is challenged to quickly adapt and stretch.

Resolve conflict or improve alignment of business partners, teams, board members.

Improve the leadership and communication skills of C- and VP-level executives by helping them o...
