

**Tom Oliver** is an expert and thought leader who is able to weave in areas as diverse as music, philanthropy, social entrepreneurship, world peace, leadership and business to reveal the theory and practice behind the secrets of corporate success and what it takes to become and remain one of the best global brands in the next 5-10 years. Termed “one of the world’s best experts on leadership” (Wharton School of Business), Tom is a world-renowned authority on disruptive innovation and holistic thought leader at the best business schools in the world. Tom founded the Global Leadership Circle at Manchester Business School while contributing to its being ranked as one of the top international business programs (MBA doctoral program ranked # 1 in the world).

## Testimonials

“Tom is the epitome of the social entrepreneur!”

- **Founding Director, The Global Philanthropists Circle** (“The most elite club in the world” **Bloomberg Business Week**); **Special Advisor to President Jimmy Carter.**

“I have been lucky enough to meet and work with many of the world’s business leaders, and it’s clear that the themes explored within this book are, or should be, at the top of the agenda for any leading company. Tom’s ability to shift the way you think makes him an excellent source of inspiration to anyone seeking to stay one step ahead.”

- **Global Group CEO, Interbrand.**
