

Edgar Perez is a great business speaker, a confident communicator and a world class motivator. Global executives have come to appreciate his wide-ranging insights on how they can better position their organizations for success through strong leadership and a comprehensive approach that links business strategy and disruptive technologies including artificial intelligence and deep learning, quantum computing and cyber security. A published author, keynote speaker and business consultant for private equity and hedge funds, he is Council Member at the Gerson Lehrman Group, Guidepoint Global Advisors and Internal Consulting Group.

Mr. Perez is author of *The AI Breakthrough*, How Artificial Intelligence is Advancing Deep Learning and Revolutionizing Your World (2018), *Nightmare on Wall Street*, The Rise and Fall of Knight Capital and the Biggest Risk for Financial Markets (2013), and *The Speed Traders*, An Insider's Look at the New High-Frequency Trading Phenomenon That is Transforming the Investing World, published in English by McGraw-Hill Inc. (2011), 交易快手, published in Mandarin by China Financial Publishing House (2012), and *Investasi Super Kilat*, published in Bahasa Indonesia by

Testimonials

“ It was such a pleasure to have you participate in our conference. The feedback was great and the information you shared with the audience was invaluable. Once again, thank you for your contribution in making the event a success.” ”
