

One of the world's leading business thinkers, **David Burkus'** forward-thinking ideas and bestselling books are helping leaders and teams do their best work ever. He is the best-selling author of four books about business and leadership. His books have won multiple awards and have been translated into dozens of languages. His insights on leadership and teamwork have been featured in the Wall Street Journal, Harvard, Business Review, SAToday, Fast Company, the Financial Times, Bloomberg BusinessWeek, CNN, the BBC, NPR, and CBS This Morning. Since 2017, Burkus has been ranked multiple times as one of the world's top business thought leaders. A sought-after international speaker, his TED Talk has been viewed over 2 million times. He's worked with leaders from organizations across all industries including Google, Ernst & Young, Fidelity, Viacom, and even NASA. A former business school professor, Burkus holds a master's degree in organizational psychology from the University of Oklahoma, and a doctorate in strategic leadership from Regent University. He lives outside of Tulsa with his wife and their two boys.

Testimonials

▮ "You must embrace your creative ability in order to thrive in today's marketplace. David Burkus swiftly and effectively debunks the myths that limit your creative firepower." ▮

- Satisfied Client.

▮ "David received very high ratings for providing useful and valuable information for attendees. Also his approach was well received and he was very engaging. He clearly had done his homework about the work the participants are involved in, and that allowed folks to make those direct connections to their own work." ▮

- The Bill and Melinda Gates Foundation.
