

Ben Nemtin is the #1 New York Times bestselling author of *What Do You Want to Do Before You Die?* and *The Bucket List Journal*. Ben is ranked the #2 Motivational Speaker in the World by Global Gurus and starred in *The Buried Life*, MTV's highest rated show on iTunes and Amazon. As the co-founder of *The Buried Life* movement, Ben's message of radical possibility has been featured on *The Today Show*, *The Oprah Winfrey Show*, CNN, FOX, and NBC News. President Obama called Ben and *The Buried Life* "inspiration for a new generation" and Oprah declared their mission "truly inspiring."

While attending college, Ben was unexpectedly hit with a depression that forced him to drop out of school. In an attempt to feel alive again, he created the world's greatest bucket list with his three best friends. They borrowed a rickety old RV and crisscrossed North America, achieving the unthinkable. And most importantly, every time they accomplished a dream of their own, they helped a stranger accomplish their dream. From playing basketball with President Obama and having a beer with Prince Harry to reuniting a father and son after 17 years and surprising a young girl with a much needed bionic arm, Ben's message of radical possibility has inspired millions to unlock their true potential. Ben has achieved 96 of 100 dreams and he's set to cross off "#100: Go to Space" next year.

Testimonials

"Ben's storytelling and ability to connect with our audience was apparent from the minute he greeted our participants. Listening to his story made everyone in the room feel empowered and motivated to make a difference and be courageous in their own lives. Ben helped us realize that we as individuals and leaders have the ability to make a real impact and empower others to make that same impact not only professionally but in our everyday lives. The message was perfectly aligned with our theme and I had so many attendees say it was the best event to date. I would highly recommend Ben to anyone wanting to add that "WOW" factor to their event."

"The event was incredible! We were so pleased with our decision to bring in Ben. The audience was really engaged and there was a long line for autographs. We had a lot of positive feedback. Thanks so much for working on this engagement with us. It's been a very pleasant experience. We will definitely include ESB in our search for next year's keynote!"
