

Neil Pasricha helps people live happy lives.

After graduating from Harvard Business School, Neil Pasricha spent a decade as Director of Leadership at Walmart, the world's largest company. While there he wrote the 50-million-hit, award-winning blog 1000 Awesome Things and *The New York Times* bestsellers *The Book of Awesome* and *The Happiness Equation* which have been on international bestseller lists for over 200 weeks and sold over a million copies.

Neil's research and books on happiness, mindset, and human potential have received attention from *Harvard Business Review*, *The New Yorker*, *The Sunday Times*, CNN, and BBC.

Onstage his style is an endangered species: an incredibly rare blend of raw, hilarious, and heartwarming. His high-energy, takeaway-laden, application-not-motivation speeches are often voted tops at any conference or event.
