

When **Darin Green** speaks at your event, your audience will feel it from their head to their toes. Darin helps your audience raise their standards of performance, master change and cultivate superior teamwork and customer service. Darin will make every effort to customize his presentations to fit your industry, your needs and the expectations of the audience.

Performance Strategist Darin Green was born to motivate and empower others. Darin began speaking professionally in 1994 after appearing as a guest on Oprah for his innovation at employing and motivating youth with his successful franchises. Oprah was so moved by Darin's work that she suggested he write a book and share his wisdom and passion for empowering and motivating others. Darin did just that. Since that illuminating day, Darin has become one of our nation's premier keynote speakers. As a performance expert and successful author, Darin's passion, humor, and wisdom have brought tremendous value and entertainment to meetings and events around the world. His engaging presentations are consistently helping individuals and organizations build the drive for excellence.

Results

Darin's natural gift for connecting with audiences, skillful use of humor, solid content, and entertaining delivery style have catapulted Darin and his electrifying presentations into numerous Fortune 500 Companies, associations, and organizations throughout the world such as: Hewlett-Packard, Wachovia, Mall of America, U.S. Navy, Ford Motor Company, Northwest Airlines, 3M, FDIC, American Express, International Professional Management Association, Maine Human Resources Association, Choice Hotels, U.S. Army, Hillenbrand Industries, Blue Cross Blue Shield, Kaiser Permanente, Mississippi Hospital Associa...
