

With a nearly unprecedented 29 years of experience as CEO of Memorial Hospital and now Beacon Health System, **Phil Newbold** has skillfully led the area's only community-owned health care system through a powerfully transformative time in the field of health care. As the leader of a 7,000+ employee organization, Mr. Newbold provides invaluable insight, perspective and knowledge into the unique needs and concerns of our community.

During his tenure, Mr. Newbold has spearheaded the organization's national reputation for Innovation, improved patient safety, enhanced patient and employee satisfaction, directed our community's shift toward population health, and implemented one of the first hospital Tithing programs in the nation. This Tithing program has produced dozens of innovative health outreach programs, including a nationally recognized diabetes management program.

Other notable accomplishments include the founding of: the Pfeil Innovation Center, assisting local businesses and nonprofit organizations to become more competitive and integrate Innovation into their workplaces; Epworth Hospital, which provides much needed mental health services to our community; and HealthWorks! Kids' Museum, helping thousands of kids every year make healthy choices; and a planned \$30 million expansion and modernization project of Memorial Children's Hospital.

**Phil Newbold** is a native Buckeye, a graduate of Ohio State University (BA and MS) and Miami University of Ohio (MBA). Prior to coming to Memorial, Phil was a senior executive at St. Luke's Hospital in Cleveland and the CEO of Baptist Medical Center in Oklahoma City.

Phil has many roles: husband, father of three children, active community leader and a tr...
