

Brent Gleeson, a Navy SEAL combat veteran and serial entrepreneur, has leveraged the principles of leadership, discipline, accountability and resiliency learned in training and applied down range for building high-performance teams in the business world. He has raised millions of dollars for his organizations, built winning teams, made costly mistakes, dealt with the inevitable obstacles and sold companies for significant returns.

He is an acclaimed speaker on topics ranging from leadership and culture to change management and building high-performance teams. Companies of all sizes from across the globe hire him for speaking and consulting with a desire to leverage his expertise in building teams that evangelize change and achieve winning results. He is the bestselling author of *TakingPoint: A Navy SEAL's 10 Fail-safe Principles for Leading Through Change*, a highly acclaimed book that was a #1 new release in the categories of Organizational Change and Business Structural Adjustment.

After tours in Iraq, Africa and other theaters of war Gleeson transitioned to the world of entrepreneurship applying battle-tested leadership principles to building teams designed to overcome the odds and achieve results. Using the guiding principles he learned in the SEAL Teams, Brent Gleeson has built award-winning multi-million dollar organizations that have earned the prestige of being repeatedly named in the Inc. 500|5000 list of fastest-growing private companies.

He has spoken to thousands of business leaders, professional athletes and first responders all over the world and consulted with hundreds of organizations large and small seeking new ways to develop their leaders, improve the culture and get better results. He has ...

Testimonials

"Brent, you changed my life. That was the most inspirational presentation I've ever seen."

- Anonymous.

"Thank you so much for speaking to our global leaders in Hong Kong, Sydney and Singapore. The presentation was riveting and had great takeaways that really resonated with our teams. They are still talking about it!"

- President, Bank of America Merrill Lynch Asia Pacific.
