

**Brian Lansing** is an internationally recognized and sought after host. He started his career with Holland America Line cruises taking his talents to international waters as an emcee and DJ. Since then he has worked as an In-Arena host for the Minnesota Timberwolves. He currently emcees for Fox 9 news station and Vikings Game Day Live at US Bank Stadium. Brian has a genuine passion for people and desires to make his audience smile when on stage.

When people first meet Brian Lansing they wonder about his ethnicity. So he'll help you out. He was born a twin in Patna, India and was orphaned at just six weeks old. To this day he does not know his biological parents. Thankfully, at 8 months old two amazing people in Minnesota decided that they could change his destiny through adoption.

Despite having great parents growing up he still wrestled with abandonment and rejection. To cope with the pain he turned to addiction, and after hitting rock bottom he broke free and was able to turn things around. Today, Brian lives his life to encourage, and inspire others to reach their full potential and to love those around them.

Though not a fan of the winters Brian and his beautiful Wife Stephanie make their home in Minneapolis Minnesota with their newborn son Nikolai and dog Einstein. When he doesn't have a mic in his hand he enjoys spending time with his family, sweating through a Crossfit WOD, watching movies (big fan of the Rock), listening to music, and chowing down on some good food (Sushi, Pizza, and Ice Cream).
