A sought-after keynote speaker, MC and workshop facilitator, Adam has reached tens of thousands worldwide by sharing his insights and research to develop greater levels of Resilience and sustainable performance.

An attorney, CEO and executive mentor, Adam is a business culture-change catalyst who guides organizations and individuals to create the optimal environment for people to be at their best. His company, More Love Media, helps leaders strengthen their voice, develop resilience, embrace change and cultivate work cultures of greater unity and resilience through keynotes, workshops and business mentoring.

In Adam's forthcoming book *Change Proof: Leveraging the Power of Uncertainty to Build Long-Term Resilience*, he reveals 4 tangible, impactful strategies that are required to succeed over time in a world with chronic change. These fundamentals help audiences and readers center themselves and utilize change to their advantage, both personally and professionally, for increased and sustainable performance in the face of change.

Adam credits much of his success to the principles he learned during his 8 years as a Jones Beach lifeguard in New York. As a first responder in a life and death environment, he learned the importance of cultivating a high-performance capacity and impeccable teamwork and leadership. He's found that the principles of this type of culture equally apply to any business that wants to build a sustainable competitive advantage to win.

Since his days on Jones Beach, Adam has spent his life protecting others and bringing them back from the brink of business and profe...

Testimonials

"We were looking for something that was different for our A/E/C Thrive Conference - something out of the box, that would change the way people think. Adam delivered all that in spades. He gave us so many interesting things to think about. The audience loved it - they were talking, engaging and interacting with each other. We weren't expecting that! Adam really knows how to pull people out and get them focused on the core issues"

- PSMJ RESOURCES.

"Adam couldn't have been a better choice for our event. His message was very well received, as was evidenced by the standing ovation at the end. He really delivered for us, providing a nice toolkit that we could put into action quickly. The attendees felt very resourced in ways to increase performance. It's clear that Adam is a mature, experienced and well-rounded speaker whose authenticity and transparency ensured his message really resonated and left everyone feeling that we as a company have their back."
