

**Ryan Jenkins, CSP** is an internationally-recognized keynote speaker and three-time published author. He speaks all over the world to companies such as State Farm, Salesforce, Wells Fargo, FedEx, Liberty Mutual, and John Deere. For a decade, he has been helping organizations create engaged, inclusive, and high-performing teams by lessening worker loneliness and closing generational gaps. Ryan's top-ranked insights have been featured in Forbes, Fast Company, and The Wall Street Journal.

His latest best-selling book, *Connectable: How Leaders Can Move Teams From Isolated to All In*, is the world's first to address workplace loneliness.

He is also co-founder of LessLonely.com, the world's first resource fully dedicated to reducing worker isolation and strengthening team connections. Ryan lives in Atlanta, GA, with his wife, three children, and yellow Labrador.

## Testimonials

“Ryan was fantastic! One of the best webinars I’ve seen.”

- Executive Director, SHRM.

“Ryan’s virtual presentation exceeded all of our expectations and was very helpful. Everyone was thoroughly engaged from start to finish.”

- Managing Director, SouthStar Energy Services.
