

Rebecca Shambaugh is a highly-sought-after and recognized speaker, leadership expert, and author. She is the founder and President of SHAMBAUGH Leadership, a global leadership development organization.

She speaks before thousands of leaders around the world every year, challenging conventional wisdom and overturning assumptions about how to lead in today's business environment. Her compelling and new vision for leadership in the 21st Century has electrified and inspired audiences on six continents.

Rebecca partners with a cross-section of the Fortune 500, including clients such as AIG, Cisco, KPMG, Dow Chemical, Johnson & Johnson, GE, Marriott International, Hilton Worldwide, MetLife, IBM, National Grid, and Intelsat.

Her work focuses on the what and how of organizational and leadership transformation initiatives. Rebecca also provides coaching and consulting to senior executives on personal leadership, team and organizational development, and strategy execution to optimize overall effectiveness.

Prior to starting her own company, Rebecca has worked for such premier organizations as General Motors, Fairchild Industries, and Amax Inc. as a senior executive in the leadership and human capital arena.

Rebecca has presented to over 100,000 leaders within organizations, major conferences, and executive forums regarding the 21st Century Leadership Model and her company's research and best practices for driving innovation and high performing cultures through cross-collaboration and inclusion. Rebecca has been showcased on CNBC, TED Talks, Fox News (New York), NPR, Washington Business, ABC, and numerous syndicated radio talk shows. She has been featured in publications such as *The New York Times*, *The Washington Post*...

Testimonials

Rebecca's talk was excellent, very informative and engaging. This was the best talk I've attended at IBM. Not only was it informative but I will be utilizing Rebecca's concepts in my career planning.

- Vice President, IBM.

Rebecca's keynote address was inspiring and extremely well received, it resonated with the attendees. I have received an overwhelming amount of response, positive I must say, regarding her keynote address.

- Executive Vice President, MedImmune.
