

In pursuit of the American Dream, **Kevin Kruse** started his first company when he was just 22 years old. He worked around the clock, literally living out of his one-room office and showering each day at the YMCA, before giving up a year later deeply in debt.

But after discovering the power of Wholehearted Leadership and Extreme Productivity, Kevin went on to build and sell several, multi-million dollar technology companies, winning both Inc 500 and Best Place to Work awards along the way.

Kevin is also the author of several books including the NY Times bestseller, *We: How to Increase Performance and Profits Through Full Engagement*, *Employee Engagement 2.0*, and *15 Secrets Successful People Know About Time Management*. He is a *Forbes Leadership* columnist and was named to the Top 100 Business Thought Leaders list by Trust Across America.

Kevin's mission is to convince everyone that wholehearted leadership for employee engagement is the key to unlocking both dramatic business results and to better health and relationships for individuals.

Based on his own experience as a CEO, and on the results of surveys of over 10 million people in 150 countries, Kevin reveals how Growth, Recognition, and Trust are the key drivers that turn average groups into high performing teams. He shares specific tactics to:

- Unlock emotional commitment
- Activate discretionary effort
- Generate future confidence and clarity to combat the effects of change

Kevin has traveled the globe as a keynote speaker on leadership, productivity, and entrepreneurship. He is consistently rated among the top keynote speakers at events he attends.

Kevin currently serves as Founder & CEO of LEADx, an online ...

## Testimonials

"Awesome Job Kevin! Everyone on our team really enjoyed your presentation, and appreciated how you kept everyone's interest and attention and kept your presentation current! The points you covered can relate to any field but through the interactive roundtable exercises we could put your suggestions into real terms for our customers."

- Rosen Hotels & Resorts.

"We asked Kevin to help us incorporate a two day Corporate Tax Team Engagement Workshop into a week long meeting. We brought together 30 people from four countries...with his expertise and excellent design for the workshop, participants were energized and very open with their ideas and participated fully. The leadership group was very impressed with the pace, participation, organization and results. We came away with lots of meaningful action items."

- VP Global Tax, SAP North America.
