

Ramit Sethi graduated from Stanford University in 2005 with bachelor's and master's degrees in technology, psychology, and sociology. He is the founder and author of IWillTeachYouToBeRich.com, a blog on personal finance and personal entrepreneurship, which hosts over 175,000 readers per month and has been featured in the Wall Street Journal, New York Times, and NPR. In addition to his blog, he speaks on personal finance and entrepreneurship across the country. Ramit Sethi's book, *I Will Teach You To Be Rich*, was published in January 2009. Ramit is also the co-founder and vice president of community marketing for PBwiki, a venture-backed Silicon Valley startup.
