Testimonials

"On behalf of our entire management team at Yale-New Haven Hospital, I'd like to thank you for joining us for our meeting in Monroe, CT last week. "Your message was elegantly delivered and inspiring. A special thanks for agreeing to come at the last minute after Keith Harrell found he could not travel. To do that was a sign of great friendship and commitment to Keith; to do it on your 25th anniversary was even more remarkable! Thank you for making our management meeting such a success!"
