Testimonials

▢ Outstanding Barb! Your motivational keynote, *Lead in High Definition - Build a High Performance Team* at our Annual Franchisee conference was fantastic. You did the most homework of any speaker I've ever met in the 20 years I've planned events, including reviewing our key processes, speaking with our franchisees and our CEO and customizing the program to our objectives. It was wonderful to see our group highly engaged, interacting, excited, laughing, writing and having fun! Plus the information you shared was completely relevant to them and will help them build their team, increase sales and grow their business. You delivered a unique, experiential keynote with a roadmap to follow, a call to action and the inspiration to succeed—a great return on our investment. We look forward to having you back to speak at our Branch Leadership Conference and regional events. ▢

▢ We rarely have a session receive as many positive comments as yours! Comments included, "Best ever," and, "Bring more people like Barbara!" The amount of time you spent getting to know our members' challenges and making sure your message provided information they could actually use was tremendous! We look forward to your return keynote at our June Focus meeting. ▢
